Dear Mr. Billings,

Belated thanks for your kind letter and CERTIFICATE OF ACHIEVEMENT IN HOLOGRAPHY.

I hope to comply with your request for one of the originals from the recent DICK TRACY holography story. This is complicated by the recent death of TRACY artist Rick Fletcher. The holography story was, in fact, Rick's last TRACY work. I do hope, when the time is right, to approach Mrs. Fletcher for the original, on your behalf.

Thanks again for your interest and support.

Best,

Max Collins
