Dear Sir,

Please find enclosed our magazine, *Jidosha to Sono Sekai (The Car and Its World)*, freshly published on September 30, that contains the result of our visit to Chicago last April. It is our great honor to be able to present you with these complimentary copies.

It was truly kind of you to let us take photographs of your institution, to which our feature story visually owes very much. Best regards and very best wishes for the further prosperity and growth of your institution in all its undertakings.

Sincerely yours,

吉田 保雄
