Dear Mr. Razutis:

Advertising copy for this institution for inclusion in the Spring issue of WAVEFRONT was sent to the magazine, along with a check for \$200.00 U.S., last March 15. Although the check was deposited in the Bank of Commerce April 1, 1987, (copy enclosed) the ad did not run.

Please return the advertising copy and the \$200.00 U.S. at your earliest convenience. We would also like to know if there was some special reason why the ad did not run.

Yours truly,

Loren Billings
Executive Director
