Dear Sirs,

In compliance with your request we are pleased to send you herewith all literature we have available on Holography at this moment. Processors are not supplied by us.

It is our intention to bring out a panchromatic emulsion for making colour holograms, but this is not yet foreseen for the near future.

For your guidance we are giving you below the address of our American subsidiary, to whom you may apply for all further information on our products :

Agfa-Gevaert Inc.
275 North Street
Teterboro - New Jersey

We still wish you much success in your holographic career !

Sincerely yours,

Encl.
